My brothers & sisters in the Lord (especially Amay & Inay Kylie, Amay & Inay Brent), how are you there? Hello too to the lady who helped me before when I was very sick.

Now, brothers & sisters, I'm so thankful to our Father God and our Lord Jesus Christ for His grace to us.

Also, thank you for your many prayers and your gifts, and I'm thankful that through your prayers, the Lord answered and now I'm getting better through God's help.

Okay, that's my entire letter.

It is Amay and Inay Kisi writing this.

Note: Amay & Inay Kylie are Daryl & Pam Phillips, Amay & Inay Brent are Chris & Lynne Strange – both our co-workers from yesteryear. The “lady who helped me before” is the friend in Sydney, a single mum, who donated the proceeds of her garage sale.
