

***Fold this label as needed to fit, and tape onto a can with a plastic lid. Cut a slot in the lid, and you are ready to collect Coins for Copters!***

---

Unreached people groups in Papua New Guinea are still asking to hear the gospel.

Missionaries need a way to travel to reach these people. Airstrips are not always an option. But a helicopter can land almost anywhere!

You and your friends can fill this can with spare change to help buy an R66 helicopter.

Did you know? **?**  
Five pounds of quarters equals \$100!  
Do you think five pounds of quarters will fill this can?

# Coins for Copters

**Help buy a  
HELICOPTER for Papua New Guinea**

## Coins are everywhere!

- Check your pockets! 
- Make it a family project to fill the can with coins.
- Put a "Coins for Copters" can in your Sunday School class, church or small group meeting room.
